# All-Day Seminar & Live O&C Investigation

Wednesday, August 2 | 8am - 5pm

Butler Fairgrounds Meeting Room | 62 L St. David City, NE 68632

IFIC alongside Analytical Forensic and CRDN bring you an all-day training opportunity to see, touch, and explore fire investigation, fire chemistry, and content restoration.

In addition to educational presentations, we will be on-site providing **LIVE INVESTIGATIONS** into accidental and incendiary fire scene scenarios at **TWO** nearby houses.

#### **Presentations by:**

- Senior Fire Investigator Lonn Abeltins
- Fire Investigator Ken Scurto
- Laboratory Director Laurel V Mason
- Terese Jung & Colleen Olson of CRDN

Please complete the registration form and send to [cabeltins@independentforensics.com](mailto:cabeltins@independentforensics.com) to sign up.
